OUR STORY

Aeruna Global is an India-based human hair export company built with a clear vision: to connect premium Indian human hair with buyers and businesses across global markets.

We focus on authentic sourcing, consistent quality, careful inspection, and transparent communication. Working closely with our sourcing partners, we select and prepare hair according to each buyer's specifications, with attention to quality, texture, length, and overall consistency.

As a growing export company, we believe strong business relationships are built through reliability, transparency, and consistent service. From sourcing to packaging and shipment, we aim to maintain clear communication and deliver according to agreed requirements.

Our goal is not simply to supply human hair, but to build long-term partnerships with buyers who value quality and trust.
